Effective Date of Group Plan Actual effective date will be assigned by the Aetna underwriting department if application is approved.

Requested effective date (may be the 1st or 15th of the month only): _____

The "full-time equivalent" (FTE) employee counting method in 26 U.S.C. 4980H(c)(2) must be utilized to determine group size for medical coverage. This method is the same calculation used to determine employer liability under the "Shared Responsibility for Employers" provisions of the ACA and Internal Revenue Code.

Please complete the following:

A. FTEs from full-time employees. Number of full-time employees working on average 30 hours or more per week (or 130 hours per month) (even if they are not eligible nor enrolling for health coverage).	
B. FTEs from part-time employees, i.e., who worked on average less than 30 hours per week. (Add up the total number of hours worked in a week by part time employees and divide by 30. Example: 10 employees working 20 hours per week: $200 \div 30 = 6.66 = 7$ (rounding to closest number)	
C. Total number of FTEs = A + B.	

*A small group must have at least one eligible employee. An "employee" does not include the sole owner of a business or a spouse of the business owner.

Please keep a copy of this application for your records. If the application is accepted by Aetna, it becomes part of the issued Group Agreement and/or Group Policy.

Employee Eligibility

The standard for an employee to be eligible is that the employee must be a “common law employee.” Generally, anyone who performs services for an employer is an employee *if the employer can control what will be done and how it will be done*. The common law test to determine control would look at behavioral control, financial control and the type of relationship between the parties. An "employee" does not include the sole owner of a business or a spouse of the business owner.

Temporary employees; consultants; independent contractors; directors and officers who are not an owner, partner or employee; and union members covered by a union sponsored health plan are not eligible unless they meet the definition of “employee” in NY Ins Law Sect. 4235(d) as amended to have the meaning of “employee” set forth in 42 USC 300gg-91(d)(5). Aetna reserves the right to request additional documentation to verify group size/eligibility for participation.

Do not spell out the number – example: write 3, not three. **NOTE:** This information is for rating purposes only and not to detect group size.

ELECTRONIC ENROLLMENT, BILLING/PAYMENT AND ACCESS AGREEMENT

Enrollment: As part of your participation date, the following terms and conditions apply:

1. You agree to keep copies (paper or electronic) of actual enrollment forms and agree to maintain a reasonably complete record of enrollment and eligibility information (via electronic, interactive voice response technology and/or hard copy format), including evidence of coverage elections, evidence of eligibility, changes to such elections and terminations. Records must be available to Aetna upon request and retained for seven years.
2. For electronic enrollment submissions or changes you agree to create and maintain the records on secure information systems that can generate hard copy records of enrollments or changes entered or maintained on those information systems. Any hard copy records generated pursuant to this provision shall meet reasonable standards of availability, authenticity, non-repudiation and integrity.
3. You represent that all enrollment and eligibility information presented to Aetna is accurate and timely updated. You acknowledge that Aetna can and will rely on such enrollment and eligibility information in determining whether an individual is eligible for benefits under the plan. In the event of a discrepancy between enrollee information (including salary data) submitted and information actually presented by the enrollee on any particular claim for benefits, and the result is that Aetna must pay a higher benefit to reflect the actual information presented by the enrollee, you agree to pay promptly to Aetna applicable back premiums accruing as of the date on which the enrollee's information changed.
4. Insured plans must use Aetna-supplied forms in paper format or electronic format.
5. You are responsible for adhering to both state and federal laws and regulations when submitting terminations to Aetna.
6. If otherwise permitted, when retro-terminations are submitted, we will regard the submission as verification that no premium/contribution was paid by the member/dependent for that period.

Billing/Payment: You agree to receive your bill online each month. Any contractual provisions related to non-payment of premium continue to be applicable. I/we understand and agree to the terms set forth in this Agreement. By signing below, I represent that I am authorized to sign this Agreement.

Access: The undersigned employer agrees that each employee will agree to terms associated with the issuance and use of his/her password and system access. An individual's password may be used only by that individual to access the system and may not be shared for any reason. Each individual is personally responsible for the information entered into the system. If an individual to whom a password has been issued becomes aware of a security breach (an incident in which there occurs attempted or unauthorized access, use, disclosure, modification, or destruction of information or interface with system operations), they agree to contact Aetna.

Signature Section**EMPLOYER ACKNOWLEDGMENT – EMPLOYER WAITING PERIOD**

Starting with plan years on or after 1/1/2014, the Affordable Care Act and subsequent federal regulations prohibit group health plans and health insurance issuers from requiring any otherwise eligible plan participants and beneficiaries (employees and dependents) to wait more than ninety (90) days before their health coverage is effective. The regulations define group health plan as the employer or plan administrator. The issuer is defined as the insurance company. Since the requirement applies to both the group health plan and the issuer, each party's obligation is satisfied if the ninety (90) day waiting period is honored. However, if neither party complies, both are subject to penalty.

The Employer Group Policyholder ("Employer") represents that it provides to Aetna, effective date information regarding plan participants and beneficiaries that takes into account the eligibility conditions and waiting period requirements required under federal law, in order for such plan participants and beneficiaries to become eligible for coverage under the Employer's group health insurance coverage with Aetna. In compliance with the waiting period requirements, Aetna shall use the effective date information provided by Employer to enroll such plan participants and beneficiaries in the Employer's group health insurance coverage. In the event this information changes, the Employer shall inform Aetna immediately.
